RE: To authorize the special use of the property known as 3422 R Street for the purpose of two
single family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3422 R Street for the pur-
pose of two single family detached dwellings, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit to authorize the use of an existing single family dwelling and the construction of a new single family detached dwelling within an R-5 Single Family Residential District. The proposed lots would not meet minimum lot area, lot width and front yard requirements. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its October 18, 2021, meeting.

BACKGROUND: The property is located in the Oakwood neighborhood on R Street between Oakwood Avenue and North 35th Streets. The property is currently a 5,625 sq. ft. (.129 acre) parcel of land.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Neighborhood Mixed Use which is defined as "Existing or new highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses." (p. 56)

Primary Uses: Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

Secondary Uses: Large multifamily buildings (10+units), retail/office/personal service, institutional, cultural, and government.

The current zoning for this property is R 5 Single Family Residential. All adjacent properties are located within the same R 5 Residential Zone. The area is primarily single-family residential, with some multi-family residential present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
