ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 600 Tredegar Street, for the purpose of signage, upon certain terms and conditions

REASON: The applicant is requesting a Special Use Permit to authorize signage on office buildings, within the B-4 - Business (Central Business) District. While the signage is permitted by the underlying B-4 - Business (Central Business) zoning district, some of the applicable feature requirements cannot be met. The City's Richmond 300 Master Plan designates a future land use for the subject property as Downtown Mixed-Use, which is defined as, "high-density development with office buildings, residential buildings, and a mix of complementary uses, including regional destinations in a highly-walkable urban environment".

Primary Uses: Retail/office/ personal service, multi-family residential, cultural, institutional, government, and open space

Intensity: Buildings typically a minimum height of five stories.

The current zoning for the property is B-4 - Business (Central Business) District. All adjacent and nearby properties are located primarily within the same B-4 - Business (Central Business) District. The area is generally commercial properties.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
