RE: To authorize the special use of the property known as 1308 N 38th for the purpose of two single-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No. 2022-

PURPOSE: To authorize the special use of the property known as 1308 N 38th Street to subdivide the existing lot and allow the construction of an additional single family detached dwelling, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit which would allow for the construction of a single family detached dwelling within an R-5 Residential (Single Family) zone on a lot with an overall size smaller

than 6,000 square feet, lot width of less than 50 feet, and front yard less than 25 feet; whereas, dwelling units within the R-5 Residential zone are required to meet such requirements. A Special Use Permit is therefore requested.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its October 17, 2022, meeting.

BACKGROUND: The property is located in the Oakwood neighborhood at 1308 North 38th Street, east of Canepa Street. The property will be 3600 sqft. (0.082 acres) parcel of land after subdivision from the existing property which currently contains a single family home. The application requests to allow the construction of a single family detached dwelling that does not meet zoning code requirements for lot size and setback.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Neighborhood Mixed-Use. This designation is defined as a "Existing or new highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses."

Primary Uses: Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

Secondary Uses: Large multifamily buildings (10+units), retail/office/personal service, institutional, cultural, and government.

The current zoning for this property is R-5 Residential (Single Family). Adjacent properties are generally the same R-5 Zone. The surrounding land uses include primarily residential. The density of the proposed development is approximately 12 units per acre.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
