RE: To authorize the special use of the properties known as 1012 West 49th Street and 1015 Herbert Street for the purpose of three single-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the properties known as 1012 West 49th Street and 1015 Herbert Street for the purpose of three single-family detached dwellings, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit to authorize construction of two single-family detached dwellings, and one attached garage for an existing dwelling, within an R-5 Single-Family Residential zoning district. The proposed uses, among other things, are not permitted under sections 30-410.4 and 30-410.5 (1), regarding minimum lot areas and front yards, of the Code of the City of Richmond (2020), as amended. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its December 6, 2021, meeting.

BACKGROUND: The property is located in the Forest View neighborhood on 1012 West 49th Street and 1015 Herbert Street. The properties, together, are a combined 15,680 sq. ft. (.228 acre) parcel of land.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Residential which is defined as "Neighborhood consisting primarily of single family houses on large or medium sized lots more homogeneous in nature." Primary Uses: Single family houses, accessory dwelling units, and open space.

Secondary Uses: Duplexes and small multi-family buildings (typically 3 10 units), institutional, and cultural. Secondary uses may be found along major streets (p. 54)

The current zoning for this property is R-5 Single-Family Residential. All adjacent properties are located within the same R 5 Residential Zone. However, the properties are adjacent to a B-2 Community Business District directly to the North on the opposite side of Clarence Street. The area is primarily single family residential, with some multi family, institutional, residential and commercial uses present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
