PURPOSE: To authorize the special use of the property known as 1117 North 31st Street for the purpose of a single-family attached dwelling, upon certain terms and conditions.

REASON: The applicant has proposed to rehabilitate and expand the existing structure, for use as a single-family attached dwelling unit. The special use will enable an encroachment into the required 3' side yard setback.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its September 3, 2019 meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 2,376 SF (.055 acre) parcel of land containing a two-story structure. It is located in the Church Hill North Neighborhood within the City's East Planning District N. 31st Street, between Q and R Streets. This property is being rehabilitated in tandem with the attached property located at 1119 N. 31st Street and a Special Use request has also been made for this property.

The City of Richmond's Master Plan designates the subject property for Single-Family (Medium Density) uses. Primary uses in this category are "single-family detached dwellings at densities between 8 and 20 units per acre." The density of the property would remain at 18 units per acre.

All properties surrounding the subject property are located within the same R-6 Single-Family Attached Residential zoning district. A mix of single-family detached residential, single-family attached residential, and vacant land uses predominate the vicinity of the subject property.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
