RE: To authorize the special use of the property known as 224 S. Cherry Street, 912 Idlewood Avenue, 914 Idlewood Avenue, 239 S. Linden Street, 225 S. Linden Street and 223 S. Linden Street, to authorize a day nursery as a principal use, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 224 S. Cherry Street, 912 Idlewood Avenue, 914 Idlewood Avenue, 239 S. Linden Street, 225 S. Linden Street and 223 S. Linden Street, to authorize a day nursery as a principal use, upon certain terms and conditions.

REASON: The subject properties are located in the R-7 Single- and Two-Family Urban Residential District. Private elementary and secondary schools are permitted uses in this district. Day nurseries are a permitted accessory use. The proposed day nursery will be staffed and operated by a second entity (YWCA) and is therefore considered a principal use. Day nurseries are not permitted as a principal use in the R-7 Single- and Two-Family Urban Residential District and therefore a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its September 3, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The St. Andrews's School has operated at its Oregon Hill location of 227 South Cherry Street since 1894. The St. Andrews Association owns both the 227 and 224 South Cherry properties and seeks to renovate, and expand into, the 224 South Cherry Street facilities. The renovated facilities will provide additional space for both the existing St. Andrews School and a new pre-school day care program. This pre-school will be operated in partnership with the YWCA and will provide free and/or subsidized pre-school to

Richmond families with limited financial resources.

The subject properties, collectively known as 224 S. Cherry Street, are comprised of approximately 1.02 acres and is located on the block bounded by the Downtown Expressway to the north, Idlewood Avenue to the south, and S. Linden Street to the west.

The properties are located in the Oregon Hill neighborhood within the Near West Planning District. The City of Richmond's Master Plan designates a future land use category for the subject property as Downtown General Urban Area. The General Urban Area is characterized by medium-density mixed-use development.

The subject property is located in the R-7 Single and Two-Family Urban Residential District. The intent of the R-7 district is to preserve and enhance the established character of older urban residential neighborhoods in the inner areas of the City. The district regulations are designed to reflect the urban nature of such neighborhoods as characterized by a mixture of detached and attached single- and two-family dwellings situated on small lots with narrow yards and modest setbacks.

The district regulations are intended to encourage redevelopment and place-making, including adaptive reuse of underutilized buildings, to create a high-quality urban realm. They are intended to improve streetscape character by providing continuity of building setbacks, to enhance public safety by encouraging an active pedestrian environment consistent with the mixed-use character of the district by providing for windows in building facades along street frontages, and to promote an environment that is safe for walking and biking.

All adjacent and nearby properties are located within the R-7 Single- and Two-Family Urban Residential District. Properties adjacent to the. A mix of residents and community facilities are in the area. The Hollywood Cemetery is located to the south across Idlewood Avenue.
