ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 313 West 26th Street for the purpose of allowing a two-family detached dwelling.

REASON: The subject property is located in the R-6 Single-Family Attached Residential zoning district. Two-family detached dwellings are permitted uses on lots that are at least 50 feet wide and 6,000 square feet in area. The 31 foot wide subject property contains 4,588 square feet in area. Therefore a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its January 3, 2022 meeting.

BACKGROUND: The subject property is located on the eastern side of West 26th Street one parcel removed from its intersection with McDonough Street. The subject property is 31 feet wide with a depth of 148 feet for a total area of 4,588 square feet. The subject property is similar to, and compatible with, other properties in the neighborhood. The proposed two-family detached dwelling will observe five foot side yard setbacks as required in the R-6 Single-Family Attached Residential District.

The proposed two-family detached dwelling will be a two-story structure that will read as a single-family dwelling from the street.

The proposed project conforms to the recommendations of the Richmond 300 Master Plan which designates the subject property for Residential Uses.

All properties surrounding the subject property are located within the same R-6 Single-Family Attached Zoning District. Within the area of the subject property, properties are developed primarily with two-family detached

dwellings.
