RE: To authorize the special use of the property known as 417 Libbie Avenue for the purpose of a
multi-family building with up to twenty-six (26) dwellings and off-street parking, upon certain
terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 417 Libbie Avenue for the purpose of a
multi-family building with up to twenty-six (26) dwellings and off-street parking, upon certain terms and
conditions.

REASON: The applicant is requesting a Special Use Permit for the purpose of twenty-six (26) dwellings,
within an RO-1 Residential-Office Zoning District. Such a use is a permitted use in this district, however, the
proposed building would not meet certain feature requirements, including Lot area and width, Front yards, Side
and rear yards, Usable open space, and Height requirements. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance,
the City Planning Commission will review this request and make a recommendation to City Council. This item
will be scheduled for consideration by the Commission at its March 21, 2022, meeting.

BACKGROUND: 417 Libbie Avenue is currently improved with a 3,694 sq. ft. commercial building,
constructed in 1925, situated on a 32,825 sq. ft. (.75 acre) parcel of land. The property is located in the
Westhampton neighborhood and is a part of the Libbie/Grove commercial district.

The City’s Richmond 300 Master Plan designates a future land use for the subject property as Community
Mixed Use which are defined as a “cluster of medium-density, walkable commercial and residential uses that

provide neighborhood services to nearby residential communities and sometimes feature regional attractions.”

Intensity: Buildings generally ranging from two to six stories, based on street widths and depending on the historic context and stepping down in height adjacent to residential areas, as necessary. New buildings that are taller than historical buildings should step back from the build-to-line after matching the height of the predominant cornice line of the block. Primary Uses: Retail/office/personal service, multi-family residential, cultural, and open space. Secondary Uses: Single-family houses, institutional, and government. (p. 58)

The density of the proposed development, overall, is approximately 34 units per acre.

The current zoning for this property is RO-1 Residential-Office District. Adjacent properties are located within the same RO-1 Residential-Office with some R 4 Single Family and UB-PO1 Urban Business Parking Overlay Districts to the North and South, respectively.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
