**O & R Request**

**DATE:** September 10, 2021

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This in no way reflects a recommendation on behalf of the Mayor)

**THROUGH:** J.E. Lincoln Saunders, Acting Chief Administrative Officer

**FROM:** Kevin J. Vonck, Acting Director, Dept. of Planning and Development Review

**RE:** To authorize the special use of the property known as 302 Clovelly Road for the purpose of one lodging unit accessory to a single-family dwelling, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 302 Clovelly Road for the purpose of one lodging unit accessory to a single-family dwelling, upon certain terms and conditions.

**REASON:** The applicant is requesting to authorize the special use of the property known as 302 Clovelly Road for the purpose of one lodging unit accessory to a single-family dwelling, upon certain terms and conditions. The property is located in an R-1 Single-Family Residential District. The proposed lodging unit within a detached accessory building is not permitted in the R-1 District. Therefore, a special use permit is necessary to authorize the proposed lodging unit.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its November 1, 2021, meeting.

**BACKGROUND:** The subject property consists of a single parcel of land that has a lot area of 31,225 square feet (0.717 acres) and is improved with a single-family detached dwelling. The property is located in the Windsor Farms neighborhood on the west side of Clovelly Road, just south of its intersection with Sulgrave Road.

The subject property is located within the R-1 Single-Family Residential District. The proposed lodging unit within a detached accessory building is not permitted in the R-1 District.

The City's Richmond 300 Master Plan designates the property as Residential. This land use category is described as a neighborhood consisting primarily of single-family houses on large- or medium-sized lots more homogeneous in nature.

**Development Style:** Houses on medium-sized and large-sized lots in a largely auto-dependent environment. Homes are setback from the street. Future developments continue and/or introduce a gridded street pattern to increase connectivity. Future single-family housing, accessory dwelling units, duplexes, and small multi-family residential buildings are built to a scale and design that is consistent with existing buildings.

**Mobility:** Bicycle and pedestrian access are prioritized and accommodated. Low residential density means that it is not possible to provide frequent transit within these areas; however, frequent transit may be found at the edges of these areas within more intense future land use designations. Many homes have driveways and/or garages, which are located off an alley behind the home if an alley is present.

**Intensity:** Buildings are generally one to three stories. Lot sizes generally range from one to three stories. Lot sizes generally range up to 5,000 to 20,000+ square feet. General residential density of 2 to 10 housing units per acre.

The property is located in the southern portion of the Windsor Farms neighborhood, and is surrounded by other single-family detached dwellings on large lots.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

**FISCAL IMPLICATIONS:** Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.

**BUDGET AMENDMENT NECESSARY:** No

**REVENUE TO CITY:** \$300 application fee
