**RE:** To amend Ordinance No. 2003-323-282, adopted October 13, 2003, authorizing the special use of the property known as 700 Dinwiddie Avenue for the purpose of a shelter and social service

delivery use, to authorize an expansion of the special use, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To amend Ordinance No. 2003-323-282, adopted October 13, 2003, authorizing the special use of the property known as 700 Dinwiddie Avenue for the purpose of a shelter and social service delivery use, to authorize an expansion of the special use, upon certain terms and conditions.

**REASON:** The applicant has proposed the addition of a modular classroom within an existing parking lot which will reduce the number of parking spaces currently required under an existing Special Use Permit. The amendment to the Special Use Permit will reduce the number of spaces from 45 to 41. Such an expansion and modification require an amendment to the special use permit.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its June 18, 2018, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The property known as 700 Dinwiddie Avenue consists of a 59,958 SF, 1.4 acre, parcel of land currently improved with a 1- story, 23,000 sq. ft. building, constructed, per tax assessment records, in 1959. Currently, the property is owned and occupied by the non-profit organization CARITAS which operates the existing program The Healing Place, which is a service organization for men with addictions.

The property is located in the City's Old South Planning District and Old Town Manchester Neighborhood. The City of Richmond's current Master Plan designates a future land use category for the subject properties as Industrial. Primary uses for this category "...include a wide variety of manufacturing, processing, research and development, warehousing, distribution, office-ware- house and service uses. Office, retail and other uses that complement industrial areas are often secondary support uses. The mix of industrial uses and character of such areas may vary depending on the location and available highway access. Typical zoning classifications that may accommodate this land use category: OS, M-1, and M-2." (City of Richmond Master Plan, p.135).

The current zoning for the subject property is M-2, Heavy Industrial. The current use of the property is authorized by an existing special use permit approved in 2003 (Ordinance No. 2003-323-282).

Surrounding properties are also located in the M-2 district and are improved with vacant, industrial, and multi-family land uses.
