RE: To authorize the special use of the property known as 3001 W. Leigh St. for the purpose of a mixed-use building with outdoor dining, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: The applicant is requesting a Special Use Permit to authorize a mixed-use building with outdoor dining, which use, among other things, is not currently allowed by section 30-446.2, concerning permitted principal and accessory uses, of the Code of the City of Richmond (2020), as amended. A Special Use Permit is therefore required.

BACKGROUND: The property is in the Scott's Addition neighborhood situated on a block bounded by Altamont Avenue, Summit Avenue, W Clay Street, and W Leigh Street. The property is currently a 21,693 sq. ft. (0.498) parcel of land that contains an existing 5-story mixed-use structure.

The current zoning for the property is B-7 Mixed-Use Business District which does not allow outdoor dining areas situated within 100 feet of any property located in a residential zoning district. The proposal provides outdoor dining space that is approximately 82 feet away from the R-7 Single-and Two-Family Urban Residential District to the north therefore the applicant has requested a Special Use Permit.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Industrial Mixed-Use, which is defined as "formerly traditional industrial areas that are transitioning to mixed-use because of their proximity to growing neighborhoods and changes in market conditions. These areas may still retain some light industrial uses."

"Intensity: Medium- to high-density, three to eight stories. Primary Uses: Retail/office/ personal service, multi-family residential, cultural, and open space. Secondary Uses: Institutional and government." The property is situated around the Greater Scott's Addition priority growth node, which "is home to a series of neighborhoods that provide new employment and housing developments connected by a series of open spaces and a transportation network that support families and aging-in-place. (p. 62)"

COMMUNITY ENGAGEMENT: The Greater Scott's Addition Association was notified of the application; additional community notification will take place after introduction.

STRATEGIC INITATIVES AND OTHER GOVERNMENTAL: Richmond 300 Master Plan;

FISCAL IMPACT: \$300 application fee.
