RE: To authorize the special use of the property known as 1401 North 32nd Street for the purpose of a two-family detached dwelling upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1401 North 32nd Street for the purpose of a two-family detached dwelling upon certain terms and conditions.

REASON: The subject property is located in the R-5 Single-Family Residential District. Two-family detached dwellings are not permitted uses in this zoning district. Therefore a special use permit is required

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its December 7, 2020, meeting.

BACKGROUND: The subject property is a vacant parcel of land with 3144 square feet of area. The street frontage is 25 feet in width and the depth is 125 feet. The property is located on the easterly corner of North 32nd Street and T Street. An alley provides access from the rear. It is located in the Church Hill North Neighborhood within the City's East Planning District.

The City of Richmond's Master Plan designates the subject property for Single-Family (Medium Density) uses. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. The net density of the proposed development is 27 units per acre.

The properties located to the east, across the alley, are located in the R-53 Multifamily Residential District. The properties to the south, across T Street are located in the R-6 Single-Family Attached Residential District. Two-family detached dwellings are permitted uses in both of these zoning districts and the proposed special use abides by the same yard setbacks required in these districts

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
