RE: To rezone the properties known as 500 Hull Street and 512 Hull Street from the B-7 Mixed-Use Business District to the B-4 Central Business District

ORD. OR RES. No.

PURPOSE: To rezone the properties known as 500 Hull Street and 512 Hull Street from the B-7 Mixed-Use Business District to the B-4 Central Business District

REASON: The applicant is requesting to rezone the two parcels containing a combined 1.42 acres from the B-7 Mixed-Use Business District to the B-4 Central Business District to enable the parking area to be redeveloped under the mixed-use form-based regulations permitted within the B-4 Central Business District.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its May 6, 2019, meeting. A letter outlining the Commission’s recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject properties are located between East 5th Street and East 6th Street and comprise a combined 1.42 acres. The mixed-use development on the 500 Hull Street property ground floor commercial, 102 dwelling units, and covered parking. The 512 Hull Street property contains a 34 space parking lot and accessory uses to the primary uses located on the adjacent 500 Hull Street. These accessory uses consist of a swimming pool and a refuse enclosure and they will remain in place after any future development.

The subject property falls within a Downtown Urban Center Area of the Manchester District, as established by the Richmond Downtown Plan. Such areas are “characterized by higher density, mixed use development, typically arranged on a fine grained street network, with wide sidewalks, regular tree planting, and minimal setbacks.”

The B-7 Mixed Use Business District has a parking requirement of one space per living unit and one space per 300 square feet of commercial floor area. The B-4 Central Business District requires no parking spaces for developments

containing 1 to 16 dwelling units and 1 parking space per 4 dwelling units for developments containing over 16 units. The B-4 District does not require parking for commercial uses. The requested change of zoning will allow development to occur on land that is currently used as surface parking.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
