### **O & R Request**

**DATE:** November 13, 2020

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)

**(This in no way reflects a recommendation on behalf of the Mayor.)**

**THROUGH:** Lenora G. Reid, Acting Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To amend Ordinance No. 2019-203 to authorize the special use of the property known as 3111 Q Street for the purpose of two single-family attached dwelling, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To amend Ordinance No. 2019-203 to authorize the special use of the property known as 3111 Q Street for the purpose of two single-family attached dwelling, upon certain terms and conditions.

**REASON:** Single-family attached homes are allowed in the R-6 Single-Family Attached residential district provided that a minimum lot area of 2,200 square feet and a minimum of 50 feet of width is met. The amendment will allow the construction of two single-family attached homes on two fee simple lots instead of a two-family detached dwelling on a single fee simple lot.

The subject property has a lot that is 38' wide and 100 feet deep, for a total area of 3,800 square feet. When subdivided, each parcel will contain 1,400 square feet. A special use permit is required in order to build the proposed structures on these nonconforming lots.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its January 4, 2021, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject property consists of a 3,800 SF (.087 acre) parcel of land and is vacant. It is located in the Church Hill North Neighborhood within the City's East Planning District, on Q Street between North 31 and North 32 Streets.

The City of Richmond's Master Plan designates the subject property for Single-Family (Medium Density) uses. Primary uses in this category are "single-family detached dwellings at densities between 8 and 20 units per acre." (See page 133, Richmond Master Plan.) The density of the parcel if developed as proposed would be a ratio of approximately 23 units per acre. There are also a variety of general housing goals contained in the Master Plan Neighborhoods and Housing chapter that are applicable to the request. These goals include, among other things, recognition of the need for the continued creation of market rate rental housing and a desire for neighborhoods to provide a variety of housing choices.

All properties surrounding the subject property are located within the same R-6 Single-Family Attached Residential zoning district. Within the area of the subject property, those properties with improvements contain a mixture of single-family detached and single-family attached structures.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

**FISCAL IMPLICATIONS:** Staff time for processing the request; preparation of draft ordinance; and publishing,

mailing and posting of public notices.
