### **O & R Request**

**DATE:** September 22, 2023

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Mayor, by Request)  
(This is no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** J.E. Lincoln Saunders, Chief Administrative Officer

**THROUGH:** Sharon L. Ebert, Deputy Chief Administrative Officer for Economic

**FROM:** Kevin J. Vonck, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the property known as 7 North 2nd Street for the purpose of a hostel use, as defined herein, or emergency housing use, upon certain terms and conditions, and to repeal Ord. No. 2011-141-144, adopted July 25, 2011.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 7 North 2nd Street for the purpose of a hostel use, as defined herein, or emergency housing use, upon certain terms and conditions, and to repeal Ord. No. 2011-141-144, adopted July 25, 2011.

**REASON:** The applicant is requesting authorization for an emergency housing facility, which use is authorized within the underlying B-4 Central Business District. However, the proposed facility does not meet the zoning requirement that it be located at least 1,320 feet from any other property with an emergency housing, transitional housing, or permanent supportive housing use. A current special use permit (Ord. No. 2011-141-144) authorizes a hostel use on the property and the property owner desires to retain authorization for the hostel use. The current special use permit ordinance will be repealed and the applicable conditions pertaining to the hostel have been incorporated into the new special use permit ordinance, along with new conditions pertaining to the emergency housing use.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

**BACKGROUND:** The property is located in the Monroe Ward neighborhood between East Franklin and East Main Streets. The property is an approximately 4,930 sq. ft., (.11 acre) parcel of land improved with a 9,311 sq. ft. building constructed, per tax assessment records, in 1925.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Downtown Mixed-Use which is defined as the "Central business district of the Richmond region features high-density development with office buildings, residential buildings, and a mix of complementary uses, including regional destinations in a highly-walkable urban environment." (p. 66)

Intensity: Buildings typically a minimum height of five stories.

Primary Use: Retail/office/personal service, multi-family residential, cultural, institutional, government, and open space.

The current zoning for this property is B-4 Central Business District. All adjacent and nearby properties are located within the same B-4 District. A mix of land uses are found in the area.

Individuals experience homelessness for a variety of reasons, including mental illness, substance abuse, domestic violence, unemployment or underemployment, lack of a living wage, a limited supply of affordable housing, and eviction. Some factors can make it difficult for individuals to secure and maintain a fixed, regular, and adequate residence.

In May 2020, Council adopted the City of Richmond Strategic Plan to End Homelessness 2020-2030, which recommended a number of actions to better provide emergency, transitional, and permanent supportive housing in the City.

In March 2021, City Council amended the Zoning Ordinance to permit certain types of emergency, transitional, and permanent supportive housing options by right in a number of mixed-use zoning districts (B-1, B-2, B-3, B-4, I, M-1, OS, R-73, and RO-2) and created supplemental regulations regarding housing types, locations, capacity, and the process for administrative approvals, which includes submission of a management or operational plan (ORD. 2020-261). However, the proposed emergency housing facility does not meet the supplemental regulation that the use be located at least 1,320 feet from any property with an emergency housing, transitional housing, or permanent supportive housing use.

The proposed emergency housing use will be operated by HomeAgain as a facility for families experiencing homelessness. The City will be leasing the property from the owner and subleasing to HomeAgain and will be supporting operating costs of the facility. The proposed emergency housing use will be an extension of HomeAgain's current family emergency housing facility, the Espigh Family Shelter, located at 2 E. Main Street in Richmond, which currently houses up to 35 individuals daily. In the past three years, HomeAgain has successfully helped 465 individuals and 126 households within the Espigh Family Shelter. Of these families, 91% have exited our shelter into permanent housing.
