RE: To rezone the property known as 1039 West Grace Street from the R-73 Multi-Family Residential District to the B-5 Central Business District.

ORD. OR RES. No.

PURPOSE: To rezone the property known as 1039 West Grace Street from the R-73 Multi-Family Residential District to the B-5 Central Business District.

REASON: The applicant is requesting to rezone the .053 acre parcel from the R-73 Multi-Family Residential District to the B-5 Central Business District to bring the existing use of the property into conformance with the zoning ordinance and to enable a variety of uses to take place on the property in the future.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 1, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a .053 acre parcel located in The Fan neighborhood of the Near West Planning District. The 4,424 square-foot structure located on the property has housed a variety of neighborhood commercial uses, most recently a laundromat. The property is located at the southeast corner of West Grace and Ryland Streets.

The existing R-73 zoning limits the potential for finding conforming uses for the building. By rezoning the property to the B-5 Central Business District, the property can be marketed to retail, service or restaurant uses. The property is also located within the city's Enterprise Zone III and the B-5 zoning will allow a greater ability to utilize the resources provided under the Enterprise Zone program.

The Master Plan calls for community commercial uses for the property. Primary uses include office, retail, personal service and other commercial and service uses, intended to provide the shopping and service needs of residents of a number of nearby neighborhoods or a section of the City.

The property is surrounded by a mix of higher-density residential, office, commercial, and institutional land uses that will be compatible with the new zoning designation.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
