The City’s Richmond 300 Master Plan designates a future land use for the subject property as Neighborhood Mixed-Use. This designation is defined as a “Existing or new highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses.”

Primary Uses: Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

Secondary Uses: Large multifamily buildings (10+units), retail/office/personal service, institutional, cultural, and government.

The property is located in the R-6 - Residential (Single Family Attached) zone. Adjacent properties to the north and east are zoned the same R-4 zone, properties to the south are zoned R-63.Multi-Family Residential. Immediate surrounding land uses include single family detached dwellings and some commercial in the larger neighborhood.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.
