**THROUGH:** Selena Cuffee-Glenn, Chief Administrative Officer

**THROUGH:** Peter L. Downey, Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To authorize the special use of the property known as 512 Hull Street for the purpose of allowing a building to exceed the applicable height restrictions, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 512 Hull Street for the purpose of allowing a building to exceed the applicable height restrictions, upon certain terms and conditions.

**REASON:** The applicant is proposing a mixed-use development that exceeds the B-7 height restriction. A special use permit is therefore required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its August 21, 2017, meeting; or its September 5, 2017, meeting if the August meeting is canceled for the summer recess. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject property consists of a 25,613 SF (0.58 acre) parcel improved with a surface parking area, located at the intersection of Hull Street and East 6<sup>th</sup> Street. The property is a part of the Manchester Section of the Richmond Downtown Master Plan.

The subject property falls within a Downtown Urban Center Area of the Manchester District, as established by the Richmond Downtown Plan. Such areas are "characterized by higher density, mixed use development, typically arranged on a fine grained street network, with wide sidewalks, regular tree planting, and minimal setbacks." Moreover, the Urban Center Area demonstrates "a dense mix of office space, apartments, and retail located in four to six story brick buildings that front the street. Pedestrians have an active presence in these neighborhoods" (pp. 3.25 3.26).

The current zoning for this property is B-7 Mixed Use Business District, which encompasses much of the area, with some nearby properties or adjacent blocks having a B-5 or B-6 Central Business District designation. A mix of land uses are present in the area.
