RE: To authorize the special use of the property known as 521 Craigie Avenue for the purpose of a dwelling unit within an accessory building, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 521 Craigie Avenue for the purpose of a dwelling unit within an accessory building, upon certain terms and conditions.

REASON: The applicant has requested authorization for one dwelling unit above a detached garage for use by family. This use is not permitted within the R-5 Single-Family Residential Zoning District. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 4, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property referenced as 521 Craigie Avenue consists of a 7,810 SF (.179 acre) parcel of land with 55 linear feet of street frontage. The property contains a two-story 1,611 square foot single-family home. Without the issuance of a building permit, the construction of a two-story detached garage commenced and continued until a Stop Work Order was issued on April 19, 2017. A building permit cannot be issued until the proposed use is allowed by a Special Use Permit. The property is located in the Highland Terrace neighborhood of the North Planning District.

The City of Richmond's Master Plan designates a future land use category for the subject property as Single-Family (Low Density). "Primary uses for this category include single-family detached dwellings at densities up to seven units per acre. Typical zoning classifications that may accommodate this land use category are R-1, R-2, R-3, R-4, and R-5."

The subject property and surrounding properties in the Highland Terrace neighborhood are located within the R-5 Single-Family Residential District. The adjacent properties on the 500 and 600 blocks of Craigie Avenue contain homes of similar size. Detached garages are prevalent in the area.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.

BUDGET AMENDMENT NECESSARY: No.

REVENUE TO CITY: \$300 application fee.
