RE: To authorize the special use of the property known as 3211 Delaware Avenue to allow a group home, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3211 Delaware Avenue to allow a group home, upon certain terms and conditions.

REASON: The proposed group home is not a permitted use in the R-6 Single-Family Attached Residential District. Therefore a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 3, 2020, meeting.

BACKGROUND: The .112 acre subject property contains a two-story 1,430 square foot single-family dwelling. It is located midblock on Delaware Avenue between Meadowbridge Road and Pollock Street with alley access in the rear. The parcel is 35 feet wide and 140 feet in depth, for a total of 4,900 square feet of area. The property is located in the North Highland Park.

The City of Richmond's Master Plan designates a future land use category for the subject property as single-family medium density. Primary uses are single-family and two-family dwellings, both detached and attached, at densities between 8-20 units per acre. The Master Plan's Neighborhoods and Housing chapter notes general goals for the provision of a variety of housing choices in neighborhoods.

According to the applicants' narrative, the single-family dwelling is currently used as a rental home. The group home they envision would provide a single bedroom for each resident, with a maximum of four residents. The target resident population are formally homeless adults who are transitioning to independent housing. A full-time supervisor will be on the premises as well. Proposed modifications to the exterior of the house will be limited to replacing the existing siding and installing outdoor motion activated lighting.

The subject property, as well as all the adjacent properties to the north, south, east and west are located in the R-6 Single-Family Attached Residential District. The surrounding blocks contain primarily single-family residential uses.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
