O & R Request

RE: To authorize the special use of the properties known as 215 and 217 Roseneath Road for the purpose of two two-family attached dwellings.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the properties known as 215 and 217 Roseneath Road for the purpose of two two-family attached dwellings.

REASON: The subject properties are located in the R-6 Single-Family Attached Residential District. The proposed enlargements of the structures do not meet the lot feature requirements of the R-6 Single-Family Attached Residential District. Therefore, a special use permit requested.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its June 6, 2022 meeting.

BACKGROUND: The subject properties are located midblock on the east side of Roseneath Road between Grove and Hanover Avenues. Improvements were made to the properties in 1925. The subject property located at 215 Roseneath Road contains a single-family detached dwelling that will be expanded and converted into a two-family structure. The subject property located at 217 Roseneath Road contains a two-family detached structure that will be expanded and remain a two-family dwelling.

The proposed two-family dwellings are permitted uses in the R-6 Single-Family Attached Residential District. However, the properties are legally nonconforming due to side yard setbacks and yard area. For this district, sec. 30-412.4 (3) of the zoning ordinance states that two-family detached dwellings shall be located on lots of not less than 6,000 square feet and a width of not less than fifty feet. The existing uses and the proposed expansions are located on lots 21.25 feet wide with 3,984 square feet of area.

Sec. 30-412.5 (2)b of the zoning ordinance states that side yards shall be not less than three feet in width except where buildings are attached. The existing buildings each hold less than a one foot side yard setback. The proposed additions will also hold less than one foot side yard setbacks.

All properties surrounding the subject property are also located within the R-6 Single-Family Attached Residential District. Properties in the area are developed primarily with single and two-family dwellings.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
