O & R Request

DATE: November 8, 2019

EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This in no way reflects a recommendation on behalf of the Mayor.)

THROUGH: Lenora G. Reid, Acting Chief Administrative Officer

THROUGH: Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

FROM: Mark A. Olinger, Director, Department of Planning and Development Review

RE: To authorize the special use of the property known as 806 West Clay Street for the purpose of a single-family attached dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 806 West Clay Street for the purpose of a

single-family attached dwelling, upon certain terms and conditions.

REASON: The applicant is proposing a special use permit to authorize a two-story rear addition to an existing non-conforming single-family dwelling. The property is currently located in the R-7 Single- and Two-Family Urban Residential District. The proposed addition is not permitted within the R-7 District due to side-yard setback requirements. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its January 6, 2020, meeting.

BACKGROUND: The subject property consists of a 1,650 SF (.04 acre) parcel of land improved with an existing two-story dwelling. The building is located in the City's Near West Planning District in the Carver neighborhood, on West Clay Street between Goshen and Gilmer Streets.

The City of Richmond's Pulse Corridor Plan designates a land use category for the subject property as Neighborhood Mixed Use. "Neighborhood Mixed use areas are cohesive districts that provide a mix of uses, but with a larger amount of residential uses than other mixed-use districts. They are an urban, walkable environment with limited neighborhood-oriented uses incorporated along key commercial corridors and at corner sites. The building size, density, and zoning districts for these areas will vary depending on historic densities and neighborhood characteristics. New development should be in scale with existing context. Regardless of use, buildings should have street-oriented facades with windows and door openings along street frontages. Appropriate setbacks and open space should be provided for residential uses. New driveway entrances prohibited on priority streets. Vehicular access to parcels should use alleys where possible. Parking lots and parking areas should be located to the rear of street-facing buildings. Potential future zoning districts: R-7, R-8, R-63, B-5, B-6, B-7, RF-1, UB-2." (City of Richmond Pulse Corridor Plan, p.XII).

The property is currently zoned R-7 Single- and Two-Family Urban Residential District as are all surrounding properties. A mix of commercial, residential, mixed-use, industrial, and institutional land uses are present in the area.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
