ORD. OR RES. No.

PURPOSE: To authorize the special use of the properties known as 1505 and 1507 West Cary Street for the purpose of allowing two two-family attached dwellings

REASON: The subject properties are located in the R-63 Multifamily Urban Residential zoning district. Two-family attached dwellings are permitted uses on lots that are at least 20 feet wide and 2,600 square feet in area. The subject properties are each 19 feet wide and contain 2,317 square feet of area. Therefore a special use permit is required

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 7, 2022 meeting.

BACKGROUND: The subject property is located on the southern side of West Cary Street near the intersection with Lady Street. The subject properties are each 19 feet wide with a depth of 122 feet for a total area of 2,318 square feet. The subject properties are similar to, and compatible with, other properties in the neighborhood. The proposed two-family attached dwellings shall meet the lot feature requirements of the R-63 Multifamily Urban Residential District.

The two proposed two-family dwelling will be in harmony with the existing and future permitted uses in the neighborhood.

The proposed project conforms to the recommendations of the Richmond 300 Master Plan which designates the subject property for Community Mixed-uses. This designation is described as containing medium density walkable commercial and residential uses.

The adjacent properties on the south side of West Cary Street contain two-family dwelling units and are in the same R-63 Multifamily Urban Residential District as the subject property. Across West Cary Street to the north are single and two-family homes in the R-7 Single and Two- Family Urban Residential District.
