RE: To authorize the special use of the property known as 2110, 2112, 2112.5, 2114 Newbourne Street for the purpose of up to four two-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No. ____

PURPOSE: To authorize the special use of the property known as 2110, 2112, 2112.5, 2114 Newbourne Street for the purpose of up to four two-family detached dwellings, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit which would allow for four (4) two-family dwellings within an R-5 Residential (Single-Family) zoning district. The proposed use does not meet the requirements within the R-5 District for permitted principal uses, lot area and lot width, front and side yards. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council.

BACKGROUND: The property is located in the Fairfield neighborhood on Newbourne Street, between North 23rd and North 21st Streets. The property is currently 4 unimproved 3,600 sq. ft. (0.289 acre) parcel of land. The application is for four (4) front-to-back two-family dwellings.

The City's Richmond 300 Master Plan designates a future land use for the subject property as Neighborhood Mixed-Use. This designation is defined as a "Existing or new highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses."

Primary Uses: Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

Secondary Uses: Large multifamily buildings (10+units), retail/office/personal service, institutional, cultural, and government.

The current zoning for this property is R-5 Residential (Single-Family). Properties to the north are within the R-5 zone, properties to the west, south, and east are zoned R-53. The surrounding land uses include primarily residential with multi-family located immediately adjacent to the subject property and primarily single-family dwellings found within the greater neighborhood. Fairfield Court is located to the east.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
