RE: To authorize the special use of the property known as 1412 Rogers Street for the purpose of a two-family detached dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1412 Rogers Street for the purpose of a two-family detached dwelling, upon certain terms and conditions. The applicant is requesting a Special Use Permit to authorize a two-family detached dwelling within the R-6 Single Family Attached Residential District. While the two-family dwelling is permitted use in the district, lot feature requirements regarding lot area and lot width cannot be met. A Special Use Permit is therefore required.

BACKGROUND: The property is located in the Fairmount neighborhood between Brauers Lane and T Street. The property is currently a 4,375 square foot (0.10 acre) parcel of land. The City's Richmond 300 Master Plan designates a future land use for the subject property as Neighborhood Mixed-Use, which is defined as, "Existing or new highly walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses."

Intensity: Building heights are generally two to four stories. Buildings taller than four stories may be found along major streets. Parcels are generally between 1,500 and 5,000 sq. ft.

Primary Uses: Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space.

Secondary Uses: Large multifamily buildings (10+units), retail/office/personal service, institutional, cultural, and government.

The current zoning for the property is R-6 Single Family Attached Residential. The area is generally residential properties.

COMMUNITY ENGAGEMENT: The Fairmount Neighborhood Association was notified of the application.
