**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 1312 Bainbridge Street for the purpose allowing personal services, medical and dental office uses, upon certain terms and conditions.

**REASON:** The subject property is a corner lot located in the R-63 Multi-Family Urban Residential District. Personal services, medical and dental office uses are not permitted uses on corner parcels in this zoning district. Therefore a special use permit is required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 1, 2021, meeting

**BACKGROUND:** The subject property is located on the corner of Bainbridge Street and West 14<sup>th</sup> Street and contains a four story mixed-use building. In regard to commercial uses on corner properties in the R-63 Multi-Family Urban Residential District, the zoning ordinance states that *the district regulations permit corner commercial uses that are limited in location, type and scale and are intended to provide for the convenience of neighborhood residents within walking distance, to respect the primary residential character of the neighborhood and to avoid traffic, parking, noise and other impacts that typically result from uses that draw patrons from outside a neighborhood.*

The Richmond 300 Master Plan recommends Neighborhood Mixed-Use for the property where retail/office/personal service, institutional, cultural, and government are listed as secondary uses. The property is also within the Manchester Priority Growth Node.

The properties to the north, east and west of the subject property are located within the same R-63 Multi-Family Urban Residential District. Properties to the south are located in the B-5 Central Business District.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
