RE: To authorize the special use of the property known as 1101 Oakwood Avenue for the purpose of a two-family detached dwelling, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1101 Oakwood Avenue for the purpose of a two-family detached dwelling, upon certain terms and conditions.

REASON: The applicant is proposing to construct a two-family detached dwelling on a vacant lot, which is not a permitted use within the R-5 Single-Family Residential District. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 15, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 3,406 SF (.08 acre) parcel of land located on Oakwood Avenue between Chimborazo Boulevard and Blakey Street. The property is a part of the Oakwood neighborhood in the City's East Planning District.

The City of Richmond's Master Plan designates the subject property for Single-Family Low-Density land uses which includes, "...single family detached dwellings at densities up to seven units per acre... (as well as) ... residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-1, R-2, R-3, R-4, and R 5." (City of Richmond, Master Plan, p.133).

Specifically for the East District, the Master Plan states "vacant and deteriorating housing is a problem district wide...A continued need exists to stabilize older low income residential neighborhoods such as...Oakwood" (p. 163).

The current zoning for this property and adjacent properties is R-5 Single-Family Residential. Single- and two-family residential uses predominate the area, with some institutional and commercial land uses present as well.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
