ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1101 Bainbridge Street, for the purpose of
authorizing a mixed-use building, upon certain terms and conditions.

REASON: The applicant has proposed to renovate a vacant building previously used as a place of worship
into a mixed-use building which may contain uses permitted on corner lots in the R-63 Multi-Family Urban
Residential District, as well as a day-nursery, office uses, and retail stores and shops. A Special Use Permit is
therefore required.

the City Planning Commission will review this request and make a recommendation to City Council. This item
will be scheduled for consideration by the Commission at its November 4, 2019, meeting. A letter outlining the
Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 17,324 SF or 0.4 acre parcel of land improved with at
two-story, 20,220 SF vacant church building constructed, per tax assessment records, in 1857. The property is
located in the Manchester neighborhood within the City's Old South Planning District at the intersection of
Bainbridge Street and West 11th Street.

The City of Richmond's Downtown Master Plan designates the subject property as a Downtown Urban Center Area (DT-UCA) which is "...characterized by higher density, mixed use development, typically arranged on a fine grained street network, with wide sidewalks, regular tree planting, and minimal setbacks. Uses are less restricted, and commercial uses are often located on the ground floor with large windows and doors fronting the sidewalk. The upper stories of buildings are typically a mix of office and residential uses."(City of Richmond Downtown Master Plan, pp. 3.25(6).)

This property is currently zoned R-63 and is also near the B-5 zone recently updated for Hull Street. Properties within adjacent blocks to the West of Bainbridge Street are primarily R-63 and R-8 with some B-6 properties nearby along Commerce Road. A mix of commercial, mixed-use, vacant, single-, two-, and multi-family residential land uses are present in the vicinity of the subject property.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
