RE: To authorize the special use of the property known as 3419 2nd Avenue, for the purpose of two single-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3419 2nd Avenue, for the purpose of two single-family detached dwellings, upon certain terms and conditions.

REASON: The request is to authorize the construction of two single-family detached dwellings on a parcel that does not meet the minimum lot area and width requirements of the R-6 Single-Family Attached Residential zoning district. Therefore a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its January 4, 2021, meeting.

BACKGROUND: The subject property is 50 feet in width and contains 7,500 square feet. It is located in the R-6 Single-Family Residential Attached Residential District where single-family detached dwellings are permitted on parcels no less than 50 feet in width and 5,000 square feet in area. The proposal will create two lots 25 feet in width and 3,750 square feet in area. The site plans show that the front and rear yard depths of the zoning district are met. An encroachment one foot into the required five foot side yard setback is shown.

The City of Richmond's Master Plan designates the subject property for Single-Family (Medium Density) uses. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. As proposed, the net density of the property is 12 units per acre.

All properties surrounding the subject property are located within the same R-6 Single-Family Attached Residential zoning district. Within the area of the subject property, those properties with improvements contain single-family attached and detached dwellings.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
