O & R Request

DATE: January 10, 2019

EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This in no way reflects a recommendation on behalf of the Mayor)

THROUGH: Lenora G. Reid, Acting Chief Administrative Officer

THROUGH: Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

FROM: Mark A. Olinger, Director, Department of Planning and Development Review

RE: To authorize the special use of the property known as 5616 Kendall Road for the purpose of permitting two single-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 5616 Kendall Road for the purpose of permitting two single-family detached dwellings, upon certain terms and conditions.

REASON: The applicant is requesting a special use permit to authorize a lot-split and construction of a new house which does not meet the minimum requirements for lot area and front yard set-back. The minimum lot area for the R-4 zone is 7,500 square feet. As a result of the proposed lot split, the areas for the two lots are approximately 6,545 and 6,486 square feet. Current zoning requires the front yard of the newly created lot to be equal that of the existing lot. The proposed front yard of 28.88 feet does not align with the existing front yard of 35 feet. For these reasons, a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its March 2, 2020, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 13,465 SF, or .31 acre improved parcel of land, and is a part of the Piney Knolls neighborhood in the City's Broad Rock Planning District.

The City of Richmond's current Master Plan designates the subject property for Single Family Low Density (SF-LD) uses which includes, "...single-family detached dwellings at densities up to seven units per acre... (as well as) ...residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-1, R-2, R-3, R-4, and R-5." (City of Richmond, Master Plan, p.133) The current zoning for this property is R-4, Single Family Residential, as are much of the adjacent and nearby properties.

Currently, adjacent properties are similar in size. The typology and massing of the existing single-family detached dwellings in the community are similar to that of the proposed.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
