No. 2009-224-224, adopted December 14, 2009, which authorized the special use of the property known as 410 Hancock Street for the purpose of converting the existing building for commercial uses or residential uses or both, for the purpose of removing the off-street parking requirement, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To amend and reordain Ord. No. 2009-224-224, adopted December 14, 2009, which authorized the special use of the property known as 410 Hancock Street for the purpose of converting the existing building for commercial uses or residential uses or both, for the purpose of removing the off-street parking requirement, upon certain terms and conditions.

REASON: The applicant has requested an amendment to the special use permit to allow for the removal of the off-street parking requirement of the special use permit, due to the loss of off-site surface parking that had been used to meet the parking requirement.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its June 17, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 4,500 SF (.10 acre) parcel of land improved with a two-story multi-family dwelling constructed, according to tax assessment records, in 1950. The building is located in the Near West Planning District and the Carver neighborhood.

The current special use permit authorizes up to 10 dwelling units and requires a minimum of 10 off-street parking spaces within a radius of 1,000' of the property.

The City of Richmond's adopted Pulse Corridor Plan designates a land use category for the subject property as Neighborhood Mixed-Use. "Neighborhood Mixed-Use areas are cohesive districts that provide a mix of uses, but with a larger amount of residential uses than other mixed use districts. They are an urban, walkable

environment with limited neighborhood-oriented uses incorporated along key commercial corridors and at corner sites.” (City of Richmond, Pulse Corridor Plan, p. 29).

The property is currently zoned R-7 Single- and Two-Family Urban Residential as are surrounding parcels to the north, east, and south. Property to the west is located within the M-1 Light Industrial District. A mix of commercial, residential, office, and institutional land uses are present in the area.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City’s budget for this or future fiscal years.
