O & R Request

(This in no way reflects a recommendation on behalf of the Mayor.)

RE: To authorize the special use of the property known as 205 West Brookland Park Boulevard for the purpose of an art gallery and artist studio use, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 205 West Brookland Park Boulevard for the purpose of an art gallery and artist studio use, upon certain terms and conditions.

REASON: The subject property is located in the UB-PE7 Urban Business District where art galleries are a permitted use. However, the proposal calls for encroachment into required setbacks. Therefore a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 19, 2021 meeting.

BACKGROUND: The subject property is located on the southern side of Brookland Park Boulevard near the intersection with Hanes Avenue. It is 72 feet wide, 90 feet deep and contains 6,480 square feet in area. The improvements consist of a 1,212 square foot single-story structure build in 1964 that is a repurposed garage.

The proposal will authorize the construction of an addition utilizing shipping containers in order to expand the existing gallery. The footprint of the addition is within the required 20-foot rear yard setback. A portion of the existing building also encroaches into this setback and is a legally nonconforming structure. Approval of the special use would designate the existing structure as a conforming use. The proposed addition in conjunction with the existing structure will form a courtyard open toward West Brookland Park Boulevard and providing screening for the residential uses located across the alley in the rear.

The Richmond 300 Master Plan designates the subject property for Neighborhood Mixed-Uses. Primary uses are single-family houses, accessory dwelling units, duplexes, small multi-family buildings and open space. Secondary uses include retail, office, and personal services.

The adjacent properties to the east and west, as well as the properties across W. Brookland Park Boulevard are located in the same UB-PE7 Urban Business District as the subject property. These properties contain a mix of office, retail and restaurants. To the south, across the alley, are properties located in the R-6 Single-Family Attached zoning district that contain single and two-family detached dwellings.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
