ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 109 North Plum Street for the purpose of no more than one dwelling unit within an accessory building to an existing single-family dwelling, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit to authorize construction of a 2-story detached garage with an accessory dwelling unit, within an R-6 Single-Family Attached Residential District. The City's Richmond 300 Master Plan designates a future land use for the subject property as Neighborhood Mixed Use which is described as "existing or new highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service, and institutional uses." Primary uses include Single-family houses, accessory dwelling units, duplexes, small multi-family buildings (typically 3-10 units), and open space. Secondary uses include large multifamily buildings (10+units), retail/office/personal service, institutional, cultural, and government. (p. 56)

The current zoning for this property is R-6 Single-Family Attached Residential. All adjacent properties are located within the same R-6 Residential Zone. A mix of single-, two-, and multi-family residential, and some commercial land uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
