ORD. OR RES. No.

REASON: The subject property is located in the R-4 Single-Family Residential zoning district and stadium lighting is a permitted use. However, Section 30-408.7 of the zoning ordinance states that no building or structure shall exceed 35 feet in height. BACKGROUND: The 27 acre subject property is located in the Three Chopt neighborhood and is bounded by St. Christopher's Road to the west; Wesley and Ferguson Roads to the south; Maple Street to the east; and Henri Street to the north.

The subject property is improved with multiple buildings and athletic fields and other uses accessory to a private school. The lighting installations are proposed for the football, soccer and baseball fields.

The Richmond 300 Master Plan recommends Institutional Uses for the Property. Primary uses include institutional, cultural, government and open space.

Properties in the surrounding area generally contain single-family homes.
