RE: To authorize the special use of the property known as 3001 Commerce Road for the purposes of parking areas and drive aisles illuminated by lighting structures in excess of 35 feet in height, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3001 Commerce Road for the purposes of parking areas and drive aisles illuminated by lighting structures in excess of 35 feet in height, upon certain terms and conditions.

REASON: The subject property is located in the M-1 Light Industrial District and lighting for parking areas and drive aisles is a permitted use. However, Section 30 710.12 of the zoning ordinance limits the height of lighting fixtures serving parking areas to thirty-five feet (35'). The proposed lighting plans call for lighting structures that exceed 35 feet in height. Therefore a special use permit is necessary for this request.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its June 20, 2022 meeting.

BACKGROUND: The approximately 18 acre property is currently being developed as an industrial park, with multiple large warehouse buildings. The property is surrounded by other industrial properties to the north and west. Commerce Road and Interstate 95 are located to the east, and the residential neighborhood of Castle Heights is located to the south, across Ruffin Road.

An industrial park with large warehouse buildings is currently under construction on the subject property. The lighting installations will provide illumination to the parking areas and drive aisles serving Buildings 'A' and 'C.'

The Richmond 300 Master Plan recommends Industrial Uses for the Property. Primary uses include retail/office/personal service, multi-family residential, cultural, and open space. Secondary uses include institutional and government.

The property is surrounded by other industrial properties to the north and west. Commerce Road and Interstate 95 are located to the east, and the residential neighborhood of Castle Heights is located to the south, across Ruffin Road.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
