ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 3336 Cutshaw Avenue for the purpose of three two-family detached dwellings and a parking area, upon certain terms and conditions.

REASON: The subject property is located in the UB-2 Urban Business District and contains three two-family dwellings and a parking lot. The parking lot is a permitted use. The two-family dwellings are not permitted uses in this district and are designated as legally non-conforming uses. Therefore, a special use permit is required to subdivide the property while retaining the nonconforming uses.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its May 2, 2022 meeting.

BACKGROUND: On September 25, 2017 the .519 acre subject property was rezoned from the R-6 Single-Family Attached Residential District to the UB-2 Urban Business District. The two-family homes constructed in 1969 became legally nonconforming uses with this rezoning. The dwellings front Cutshaw Avenue and the parking lot is accessed from Roseneath Road.

The Richmond 300 Master Plan designates the subject property for Corridor Mixed-Uses. Primary uses in this category are *Retail/office/personal service, multi-family residential, cultural, and open space. Secondary Uses are Single-family houses, institutional, and government.*

All properties surrounding the subject property are also located within the UB-2 Urban Business District. Properties in the area are developed with a wide range of uses. One block to the north lies the Broad Street corridor which features commercial uses. To the west, fronting Interstate 195 also lie a range of commercial and office uses. Properties to the south consist of residential uses ranging in intensity from single-family detached to multifamily.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
