RE: To repeal Ord. No. 96-148-137, adopted Jun. 10, 1996, and to authorize the special use of the property known as 932 West Franklin Street for the purpose of permitting a dwelling unit located in a newly constructed accessory building, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To repeal Ord. No. 96-148-137, adopted Jun. 10, 1996, and to authorize the special use of the property known as 932 West Franklin Street for the purpose of permitting a dwelling unit located in a newly constructed accessory building, upon certain terms and conditions.

REASON: The applicant is proposing to construct a two story, 1,450 square foot, one-bedroom apartment carriage house with a two (2) car garage. The property is currently located in the R-73 zoning district and the proposed use is not permitted. A special use permit has therefore been requested by the applicant.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its July 17, 2017, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of a 4600 SF or .1 acre parcel of land improved with a three (3) unit multi-family dwelling constructed, per tax assessment records, in 1885 as a Single-family dwelling and is located in the Fan neighborhood and Near West Planning District.

The City of Richmond's Downtown Master Plan designates a land use category for the subject property as Downtown Urban Center Area (DT-UCA). "The Urban Center Area is characterized by higher density, mixed-use development, typically arranged on a fine-grained street network, with wide sidewalks, regular tree planting, and minimal setbacks. The apartment buildings along The boulevard are an example of a residential urban center condition in Richmond, with a dense urban fabric of three to five story buildings, and limited retail at key intersections." (City of Richmond Downtown Master Plan, 3.25)

Adjacent and nearby properties are a combination the same R-73 Residential (Multi- Family), R-6 Residential (Single Family Attached) and Business (Central Business) Zones and are a part of the West Franklin Historic District.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
