**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 10 West Leigh Street for the purpose of permitting the use of an existing building for multifamily apartments, upon certain terms and conditions.

**REASON:** The applicant is proposing to redevelop a three-story, multi-family building containing 14 dwelling units. The property is currently located in the R-63 Multi-Family Urban Residential District the proposed use is permitted, however it exceeds the permitted number of dwelling units. A special use permit has therefore been requested by the applicant.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its February 5, 2018, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject property consists of a 5,412 SF or .12 acre parcel of land improved with an existing three (3) story, 14,268 SF vacant building constructed, according to tax assessment records, in 1920. The building is located in the Downtown Planning District and the Jackson Ward neighborhood. The property is also located within the Jackson Ward City Old & Historic District.

The City of Richmond's adopted Pulse Corridor Plan designates a land use category for the subject property as NMU (Neighborhood Mixed Use). "Neighborhood Mixed-use areas are cohesive districts that provide a mix of uses, but with a larger amount of residential uses than other mixed-use districts. They are an urban, walkable environment with limited neighborhood-oriented uses incorporated along key commercial corridors and at corner sites." (City of Richmond, Pulse Corridor Plan, p. 29)

The property is currently zoned R-63 (Multi-family Urban Residential) as are surrounding parcels. A mix of commercial, residential, office, and institutional land uses are present in the area.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
