ORD. OR RES. No.

PURPOSE: To authorize an amendment to a special use permit for the property known as 1133 West Franklin Street for the purpose of permitting a free standing, directional sign, upon certain terms and conditions.

REASON: The reason for the amendment request is to allow the applicant to install a freestanding sign, which is not currently permitted by existing special use permit.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its September 4, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of an 11,380 SF or .26 acre parcel of land improved with a three story institutional and office building constructed, per tax assessment records, in 1920. The property is located in the Fan neighborhood near the VCU Monroe Park Campus and within Near West Planning District. It is also located with the West Franklin Street City Old & Historic District.

The City's Master Plan recommends Single-Family Medium Density land use for the subject property. Primary uses are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses.

Currently, adjacent properties on this block of West Franklin Street are a combination of private institutional and multi-family residential uses. Adjacent and nearby properties are zoned in the same R-6 Single-Family Attached Residential District as the subject property.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
