O & R Request

DATE: August 28, 2018

EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (by request)
(This is no way reflects a recommendation on behalf of the Mayor.)

THROUGH: Selena Cuffee Glenn, Chief Administrative Officer

THROUGH: Douglas C. Dunlap, Interim Deputy Chief Administrative Officer for Economic Development and Planning

FROM: Mark A. Olinger, Director, Department of Planning and Development Review

RE: To authorize the special use of the properties known as 623 North 30th Street, 3001, 3005, and 3009 M Street, and a portion of North 30th Street and M Street, for the purpose of permitting five single-family attached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the properties known as 623 North 30th Street, 3001, 3005, and 3009 M Street, and a portion of North 30th Street and M Street, for the purpose of permitting five single-family attached dwellings, upon certain terms and conditions.

REASON: The proposed development consisting of five single-family attached dwellings would not meet current lot area and lot coverage requirements of the underlying R-63 Multi-family Urban Residential District. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its October 15, 2018, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of four (4) contiguous parcels (623 North 30th Street, and 3001, 3005, and 3009 M Street) located at the southeast intersection of North 30th Street and M Street. All parcels combined, total 7,903 SF, or .17 acres of partially improved land. All parcels are a part of the Church Hill neighborhood in the East Planning District.

Under the current proposal, the historic two-family dwelling at 623 North 30th Street would be renovated and the lot would be divided to establish the structure as two single-family attached dwellings. Three new single-family attached dwellings would be constructed at 3001, 3005, and 3009 M Street, which are currently unimproved.

A companion ordinance to this special use permit would authorize the vacation of existing City right-of-way so that the existing structure on 623 North 30th Street would no longer encroach into the right-of-way.

The City of Richmond's current Master Plan designates the subject property for Mixed Use Residential uses which include, "...single, two, and multi-family dwellings, live/work units and neighborhood serving commercial uses developed in a traditional urban form. These commercial uses are limited in location, type and scale and are intended to provide for the convenience of urban neighborhood residents within walking distance, to respect the primary residential character of the neighborhood and to avoid traffic, parking, noise and other impacts that typically result from uses that draw patrons from outside the neighborhood. Typical zoning classification that may accommodate this land use category: R-63 and R-8. (City of Richmond, Master Plan) The current zoning for these properties is R-63, Multifamily Urban Residential. Areas directly to the Northeast are zoned R-6, Single Family Attached.

Properties to the west, south and east of the subject property are zoned R-63 Multi-family Urban Residential. Properties to the north are located within the R-6 Single-Family Attached Residential District. Nearby properties are also within the City's Church Hill North Old & Historic District. A mix of residential (single-, two-, and multi-family), vacant, office, commercial, utility, and institutional land uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
