To authorize the Chief Administrative Officer, for and on behalf of the City of Richmond, to execute a Standard Project Administration Agreement between the City of Richmond and the Virginia Department of Transportation to provide funding for the upgrading of the City's traffic signal system by integrating it with regional automated vehicle location systems to control the timing of traffic signals for transit, emergency, and other City-operated vehicles equipped with automated vehicle location systems for the purpose of maintaining transit schedules, improving emergency vehicle response, enhancing multimodal operations, and lowering vehicle emissions.

THE CITY OF RICHMOND HEREBY ORDAINS:

§ 1. That the Chief Administrative Officer, for and on behalf of the City of Richmond, be and is hereby authorized to execute a Standard Project Administration Agreement between the City of Richmond and the Virginia Department of Transportation to provide funding for the upgrading of the City's traffic signal system by integrating it with regional automated vehicle location systems to control the timing of traffic signals

for transit, emergency, and other City-operated vehicles equipped with automated vehicle location systems for the purpose of maintaining transit schedules, improving emergency vehicle response, enhancing multimodal operations, and lowering vehicle emissions. The Standard Project Administration Agreement shall be approved as to form by the City Attorney and shall be substantially in the form of the document attached to this ordinance.

§ 2. This ordinance shall be in force and effect upon adoption.
