RE: To authorize the special use of the property known as 326 East Broad Street for the purpose of signage, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 326 East Broad Street for the purpose of signage, upon certain terms and conditions.

REASON: In the B-4 Central Business District, the aggregate area of all signs shall not exceed two square feet per each linear foot of lot. The property has 44 linear feet of lot frontage. Therefore, the aggregate area of all signs shall not exceed 87.34 square feet. The proposed aggregate area for the wall sign (31.94 square feet) and projecting sign (103.5 square feet) is 135.4 square feet. A special use permit is therefore required in order to allow an additional 48 square feet of aggregate area.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its April 1, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property, known as 326 East Broad Street, is comprised of .126 acres and is located mid-block between N. 3rd Street and N. 5th Street.

The subject property is designated for Corridor Mixed-Use land use by the Pulse Corridor Plan. The Pulse Plan describes areas with a Corridor Mixed-Use designation as "found along major, traditionally commercial corridors like Broad and E. Main Streets, and envisioned to provide for medium-density pedestrian- and transit-oriented infill development to fill "missing teeth" of the corridor fabric." (p.XII Pulse Corridor Plan.)

The subject property is located in the B-4 Central Business District, as are properties to the south and west. Properties to the adjacent to the north and east are zoned DCC Downtown Civic and Cultural District. The Greater Richmond Civic Center abuts to the east and north. A variety of commercial uses are in the remaining surrounding area.
