ORD. OR RES. No.

PURPOSE: To amend and reordain Ord. No. 2017-194, adopted Nov. 13, 2017, which authorized the special use of the property known as 3138 Grayland Avenue, now known as 3136 and 3138 Grayland Avenue, for the purpose of two single-family detached dwellings, to authorize a change in setbacks pertaining to 3136 Grayland Avenue, upon certain terms and conditions.

REASON: The applicant is proposing to amend the special use permit to authorize the existing side-yard setbacks of the recently constructed, 2,292 square ft. home that was approved through ordinance 2017-194, which authorized the creation of a new lot for the purpose of constructing the single-family detached dwelling.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its April 1, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: 3136 Grayland Avenue consists of a 2,460 SF or .05 acre parcel of land improved with a 2,292 SF residential building constructed, per tax assessment records, in 2018 as a Single-family dwelling. It is located in the Carytown neighborhood of the Near West Planning District.

The City of Richmond's Master Plan designates a future land use category for the subject property as Single Family Low Density. Primary uses for this category include "...single-family detached dwellings at densities up to seven units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-1, R-2, R-3, R-4, and R-5." (City of Richmond Master Plan).

Adjacent properties on the 3100 Block of Grayland Avenue are of similar-sized houses and lots. Residential land uses dominate the area, with some two-family residential and vacant land uses present as well. All surrounding properties are within the same R-5 Single-family zoning district as the subject property.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
