O & R Request

DATE: February 27, 2019

EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This is no way reflects a recommendation on behalf of the Mayor.)

THROUGH: Selena Cuffee-Glenn, Chief Administrative Officer

THROUGH: Douglas C. Dunlap, Interim Deputy Chief Administrative Officer for Economic Development and Planning

FROM: Mark A. Olinger, Director, Department of Planning and Development Review

RE: To authorize the special use of the properties known as 2200, 2202, 2204, 2206, and 2208 West Cary Street, as well as number 10 South Shields Avenue, for the purpose of permitting up to eighteen single-family attached and one single-family detached dwelling units, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the properties known as 2200, 2202, 2204, 2206, and 2208 West Cary Street, as well as number 10 South Shields Avenue, for the purpose of permitting up to eighteen single-family attached and one single-family detached dwelling units, upon certain terms and conditions.

REASON: The applicant is requesting a special use permit to authorize the development of the above properties as single-family attached dwellings which do not meet the current lot area and lot coverage requirements of the R-63 Multi-Family Urban Residential District. A special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its April 15, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject properties consist of a contiguous assemblage of parcels totaling 23,618 SF or .7 acres of land partially improved with residential buildings, constructed, per tax assessment records, in 1910 and are located in the Near West Planning District. An ordinance adopted in 2007 changed the zoning of the property from B-3 (General Business District) to R-63 (Multi-family Urban Residential District). The property is located within the Fan neighborhood.

The City of Richmond's Master Plan designates the subject property for Single Family Medium Density land use. "Primary uses are single family and two family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses."

The zoning of the subject property is R-63 Multi-Family Urban Residential, which permits residential uses. The application calls for lot sizes to range from 1,020 to 1,520 sq. ft. The R-63 minimum lot area for single-family attached is not less than 2,200 sq. ft. The application calls for lot coverages for some of the units to exceed the allowable 65% of the lot.

Nearby properties are located in the same R-63 district, with RO-2 (Residential-Office) and R-7 (Residential Single & 2 Family Urban) Zones to the north and south, respectively. A mix of single-, two-, and multi-family residential, commercial and office land uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
