O & R Request

DATE: March 11, 2019

EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This in no way reflects a recommendation on behalf of the Mayor.)

RE: To authorize the special use of the property known as 2219 Cedar Street for the purpose of two single-family attached dwellings, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 2219 Cedar Street for the purpose of two single-family attached dwellings, upon certain terms and conditions.

REASON: The applicant is proposing to construct two single-family attached dwellings. The property is currently located in the R-63 Multi-Family Urban Residential Zoning District. The R-63 district calls for single-family attached dwellings to be located upon lots with lot areas of not less than 2,200 sq. ft. The proposal does not meet these requirements, a special use permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its May 6, 2019 meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The proposed development is located in the Union Hill neighborhood in the East Planning District. The property is also located in the Union Hill City Old & Historic District. The property is comprised of 3,472 sq. ft., or .08 acres, and is currently unimproved. The proposal calls for a single lot split of equal-sized parcels resulting lot sizes of 1,736 sq. ft., which is less than the minimum lot size of 2,200 sq. ft required in the R-63 district. A total of two single-family attached dwellings would be built on the property.

The City of Richmond's current Master Plan designates a future land use category for the subject property as Mixed-Use Residential. Primary uses for this category include "...single-, two-, and multi-family dwellings, live/work units and neighborhood serving commercial uses developed in a traditional urban form...Typical zoning classifications that may accommodate this land use category: R-63, R-8." (City of Richmond Master Plan, p. 304)

Adjacent and nearby properties are located within the same R-63 district as the subject property. A mix of single-, two-, and multi-family residential, vacant, commercial, and institutional land uses are present in the vicinity.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
