RE: To authorize the special use of the property known as 1501 Jefferson Davis Highway, for the purpose of allowing accessory parking and outdoor storage, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1501 Jefferson Davis Highway, for the purpose of allowing accessory parking and outdoor storage, upon certain terms and conditions.

REASON: The applicant has proposed to use a portion of 1501 Jefferson Davis Highway for accessory parking and storage of commercial equipment. A portion of the property is subject to the current R-5 Single-Family Residential zoning district regulations which do not permit the proposed accessory uses. For this reason, a Special Use Permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its May 6, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The property known as 1501 Jefferson Davis Highway consists of a 139,077 sq. ft. (3.2 acre) parcel of land currently improved with a 1-story building totaling approximately 20,766 sq. ft. of commercial space as well as a parking and outdoor storage area that occupies a large portion of the rear of the property. The parcel is zoned M-1 - Light Industrial along the Jefferson Davis Highway frontage and is zoned R-5 - Single-Family Residential to the rear along the parcel's Columbia Street frontage. The applicant wishes to authorize the parking and outdoor storage use of the R-5 portion of the property.

The City of Richmond's current Master Plan designates a future land use category for the subject properties as Single-Family Low Density. Primary uses for this category include "...single-family detached dwellings at densities up to seven units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. Typical zoning classifications that may accommodate this land use category: R-1, R-2, R-3, R-4, and R-5." (City of Richmond Master Plan)

The property is entirely within a Chesapeake Bay Resource Management Area protecting Albro Creek which feeds into the James River.

The subject property and properties to the west across Jefferson Davis Highway are located in the M-1 District.

Properties to the north and south of the subject property along Jefferson Davis Highway are located in the B-3 General Business District. Properties to the north, east and south of the subject property along Columbia Street are located in the R-5 - Single-Family Residential District. A mix of industrial, commercial, vacant, and residential land uses are present in the vicinity.
