### **O & R Request**

**DATE:** March 12, 2019

**EDITION:** 1

**TO:** The Honorable Members of City Council

**THROUGH:** The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)  
(This in no way reflects a recommendation on behalf of the Mayor.)

**THROUGH:** Selena Cuffee-Glenn, Chief Administrative Officer

**THROUGH:** Douglas C. Dunlap, Interim Deputy Chief Administrative Officer for Economic Development and Planning

**FROM:** Mark A. Olinger, Director, Department of Planning and Development Review

**RE:** To rezone the properties known as 500 Hull Street and 512 Hull Street from the B-7 Mixed-Use Business District to the B-4 Central Business District

**ORD. OR RES. No.**

**PURPOSE:** To rezone the properties known as 500 Hull Street and 512 Hull Street from the B-7 Mixed-Use Business District to the B-4 Central Business District

**REASON:** The applicant is requesting to rezone the two parcels containing a combined 1.42 acres from the B-7 Mixed-Use Business District to the B-4 Central Business District to enable the parking area to be redeveloped under the mixed-use form-based regulations permitted within the B-4 Central Business District.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its May 6, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject properties are located between East 5<sup>th</sup> Street and East 6<sup>th</sup> Street and comprise a combined 1.42 acres. The mixed-use development on the 500 Hull Street property ground floor commercial, 102 dwelling units, and covered parking. The 512 Hull Street property contains a 34 space parking lot and accessory uses to the primary uses located on the adjacent 500 Hull Street. These accessory uses consist of a swimming pool and a refuse enclosure and they will remain in place after any future development.

The subject property falls within a Downtown Urban Center Area of the Manchester District, as established by the Richmond Downtown Plan. Such areas are "characterized by higher density, mixed use development, typically arranged on a fine grained street network, with wide sidewalks, regular tree planting, and minimal setbacks."

The B-7 Mixed Use Business District has a parking requirement of one space per living unit and one space per 300 square feet of commercial floor area. The B-4 Central Business District requires no parking spaces for developments

containing 1 to 16 dwelling units and 1 parking space per 4 dwelling units for developments containing over 16 units. The B-4 District does not require parking for commercial uses. The requested change of zoning will allow development to occur on land that is currently used as surface parking.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

**FISCAL IMPLICATIONS:** Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
