**RE:** To authorize the special use of the property known as 20 North Belmont Avenue for up to two dwelling units and uses permitted in the B-1 Neighborhood Business District, upon certain terms and conditions.

**ORD. OR RES. No.**

**PURPOSE:** To authorize the special use of the property known as 20 North Belmont Avenue for up to two dwelling units and uses permitted in the B-1 Neighborhood Business District, upon certain terms and conditions.

**REASON:** The applicant is seeking authorization for a mixed-use building containing certain B-1 Neighborhood Business District uses on the first floor and up to two dwelling units on the second floor. The property is located in an R-6 Single-Family Attached Residential Zoning District which does not permit the proposed mix of uses. A special use permit is therefore required.

**RECOMMENDATION:** In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its May 20, 2019, meeting. A letter outlining the Commission’s recommendation will be forwarded to City Council following that meeting.

**BACKGROUND:** The subject property consists of a 3,542 SF, .08 acre parcel of land currently improved with a two-story building built, per tax assessment records, in 1927. The building has been used for commercial and office purposes. The building is located in the Museum District neighborhood of the Near West planning district within the cluster of commercial uses on North Belmont Avenue between Ellwood Avenue and Floyd Avenue.

The City of Richmond’s current Master Plan designates a future land use category for the subject property as Single-Family Residential at medium densities. Primary uses for this category “...are single-family and two-family dwellings, both detached and attached, at densities of 8 to 20 units per acre.” (City of Richmond, Master Plan, 2009, p.133) The plan describes additional appropriate uses for this category such as public facilities, parks, and places of worship. In addition the Plan clearly recommends infill development within the Near West Planning District “...of like density, scale, and use is appropriate.” (p. 230)

Properties to the north, west, and south of the subject property are within the same R-6 Single-Family Attached Residential District as the subject property. Property to the east, across Belmont Avenue, are located in the R-6

District and R-48 Multi-Family Residential District. The properties are a part of the City's West of the Boulevard Design Overlay District.

**FISCAL IMPACT / COST:** The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
