O & R Request

DATE: April 29, 2019

EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (Patron: Mayor, by Request)
(This is no way reflects a recommendation on behalf of the Mayor.)

THROUGH: Selena Cuffee-Glenn, Chief Administrative Officer

THROUGH: Sharon Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

FROM: Mark A. Olinger, Director, Department of Planning and Development Review

RE: To rezone properties known as 10, 14, and 18 East Canal Street; and 108½, 110, 112, 112½, 114, 114½, 116, 118, and 120 South 1st Street from the M-1 Light Industrial District to the TOD-1 Transit-Oriented Nodal District, and 108 South 1st Street from the B-3 General Business District to the TOD-1 Transit-Oriented Nodal District.

ORD. OR RES. No.

PURPOSE: To rezone properties known as 10, 14, and 18 East Canal Street; and 108½, 110, 112, 112½, 114, 114½, 116, 118, and 120 South 1st Street from the M-1 Light Industrial District to the TOD-1 Transit-Oriented Nodal District, and 108 South 1st Street from the B-3 General Business District to the TOD-1 Transit-Oriented Nodal District.

REASON: The applicant is requesting to rezone thirteen parcels with a total acreage of 0.663 acres parcel from the M-1 Light Industrial and B-3 General Business Districts to the TOD-1 Transit Oriented Nodal District in order to facilitate redevelopment consistent with the City of Richmond Downtown Plan and the Pulse Corridor Plan.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its June 17, 2019, meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of 13 parcels totaling 0.633 acres, and are located in the Monroe Ward neighborhood of the Downtown Planning District and Arts District Station Area. The property is currently improved with surface parking.

The district regulations of the TOD-1 Transit-Oriented Nodal Zoning District are intended to encourage redevelopment and place-making, including adaptive reuse of underutilized buildings, to create a high-quality urban realm. They are intended to improve streetscape character by providing continuity of building setbacks, to enhance public safety by encouraging an active pedestrian environment consistent with the mixed-use character of the district by providing for windows in building facades along street frontages, and to promote an environment that is safe for walking and biking (Sec. 30-457.1, Zoning Ordinance). The TOD-1 zoning designation is consistent with the city-initiated Monroe Ward rezoning which is currently being undertaken by Planning and Development Review staff.

The Pulse Corridor Plan calls for a future land use designation of downtown mixed-use, in which the central business district of the Richmond region features high-density development with office buildings, apartments, and a mix of complementary uses, including regional destinations. Higher-density pedestrian- and transit-oriented development encouraged on vacant or underutilized sites; new development should be urban in form and may be of larger scale than existing context. Active commercial ground floor uses required on street-oriented commercial frontages. Active ground floor uses and design required on priority street frontages.

Driveway entrances required to be off alleys whenever possible; new driveways prohibited on street-oriented commercial and priority street frontages. Little to no setback of new development unless to create pedestrian-oriented amenities like plazas and outdoor dining. Surface parking prohibited as a principal use; when surface parking is provided as an accessory use, it should be located to the rear of buildings and screened by shade trees. Parking requirements are substantially less in these areas than other areas of the city and are largely eliminated (p. XI).

Specifically for Monroe Ward, the Pulse Plan future land use vision states “the downtown mixed-uses... throughout Monroe Ward encourage the redevelopment of surface parking lots and underutilized buildings into high-density building that focus on creating walkable environments with active ground floors, appropriate streetscape, and minimal driveway entrances” (p. 84).

Properties abutting to the north contain parking uses as well as two professional offices on properties zoned B-3 General Business. To the east, across South 1st Street are apartments on property zoned B-5 Central Business District. Across E. Canal Street to the south is the I-195 Downtown Expressway corridor on property zoned M-1 Light Industrial. Abutting to the west is property containing an office warehouse located within the M-1 Light Industrial District.
