EDITION: 1

TO: The Honorable Members of City Council

THROUGH: The Honorable Levar M. Stoney, Mayor (by request)
(This is no way reflects a recommendation on behalf of the Mayor)

THROUGH: Selena Cuffee-Glenn, Chief Administrative Officer

THROUGH: Sharon L. Ebert, Deputy Chief Administrative Officer for Economic Development and Planning

FROM: Mark A. Olinger, Director, Department of Planning and Development Review

RE: To authorize the special use of the property known as 1836 Park Avenue for the purpose of an office use, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To authorize the special use of the property known as 1836 Park Avenue for the purpose of an office use, upon certain terms and conditions.

REASON: The applicant is requesting a Special Use Permit which would authorize the use of an existing building, which was previously used for institutional purposes as a church, for office use and occasional special events. These uses are currently not permitted with the R-6 Single-Family Attached District. A Special Use Permit is therefore required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its October 7, 2019 meeting. A letter outlining the Commission's recommendation will be forwarded to City Council following that meeting.

BACKGROUND: The subject property consists of an 8,045 SF (.19 acre) parcel of land located in the Fan District neighborhood of the Near West planning district. The property is improved with a building previously used as a church. The applicant proposes to adapt the building for use as an office and event space.

The City of Richmond's current Master Plan designates a future land use category for the subject property as Single-Family Residential at Medium densities. Primary uses for this category "...are single family and two family dwellings, both detached and attached, at densities of 8 to 20 units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi public uses. Typical zoning classifications that may accommodate this land use category: R 5A, R 6 and R 7. (City of Richmond Master Plan, 133)

The current zoning for this property is R-6 (Single-Family Attached Residential). All adjacent properties are located within the same R-6 Residential District.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
